Seed 47: unshifted source-fitted ICA diagnostic
Shared source-fitted ICA frame
Source train (n=471)
Baseline target test (n=62)
KPCA-DA target test
ICA component 1
ICA component 2
Component 1 marginal W1
baseline 1.953; KPCA-DA 1.950
Source train
Baseline target test
KPCA-DA target test
Density
ICA component 1
Component 2 marginal W1
baseline 2.897; KPCA-DA 2.916
Source train
Baseline target test
KPCA-DA target test
Density
ICA component 2
ICA fit on source-training images only; target test labels and points were not used to fit the frame or projection. Marginal W1 is reported per component, not as multivariate Wasserstein distance.
